## Mosquito Team Program

# 2008 Mosquito Coach's Message

What a season to reflect on. One low, but so many highs. So many successes. So many expectations exceeded. So many personal bests. So much to be proud of and so much to build on.

On behalf of the Bell Warriors, I want to thank you for the privilege and honour for representing the club and working with all of you on the team. My goals, or hopes, were simple at the beginning of the year. I wanted to instill a love of football; of being part of something bigger than yourself; of learning the importance of working as a team and most importantly ... gaining confidence in your own abilities and yourself.

It was extremely gratifying to see how each one of you embraced your role and together we all grew because of it. You boys all exceeded my expectations and I couldn't be prouder of you all.

I would like to take this opportunity to thank the parents and families who sacrificed to make this all possible. It was rewarding knowing that so many of us were pulling in the same direction. You have great boys and you all deserve credit for that and for being integral in making this year's success possible. I can't thank you all enough. To my team of coaches, managers, and trainor, you have my total gratitude.

To close, I want all of you to remember that success doesn't come easily. It takes a commitment of mind, heart and body and quite often it takes the support of others with the same goals and convictions. When you do commit however, the sky is the limit in what you can achieve on and off the field. I hope you got a taste of that this year and use this valuable lesson to motivate you towards limitless successes in the future.

***Warriors for life boys!***

Your friend and coach,

*Coach Paul*

Paul Stewart

# BELL WARRIORS 2008 PLAYER NOTES

## DEFENSE

**#2 LUIGI HAAIMA:** One of our first year players. Luigi's drive has brought him a long way this year. Spirit and determination is this boy's middle name. We look forward to seeing you next season in PeeWee.

**#6 QUINN STEWART:** A first year Mosquito, Quinn showed great willingness and ability to adapt to the changes from Tyke to Mosquito while being asked to change positions throughout the season. Proved to everyone he will be a force to be reckoned with next season at Mosquito.

**#12 KHALID SHUREIH:** One of our many mini dynamos. He did not let his size affect his play. Another first year Mosquito, Khalid showed big things could come from small packages. We're looking forward to another great year at Mosquito from Khalid.

**#22 KEVIN ROBERTSON:** Another first year Mosquito. Kevin's hard hitting did not go unnoticed. As the season progressed, Kevin continued to make the transition from Tyke to Mosquito and will be a key to next year's Mosquito defense.

**#26 JACK MARTIN:** One of our second year Mosquitos. Jack's willingness to do whatever was asked of him has made him a valuable part of the team. Eager to take on any challenge and a true team player, he will leave a hole to be filled next season as he moves on to PeeWee.

**#32 TORIN MACFADYEN:** Another first year player and the leader of our mini dynamos, Torin played like he was 6'6". The bigger the opponents were, the harder they fell. He was solid on the play side and you could always count on him back side. We look forward to watching him take down the big boys at PeeWee next season.

**#34 RYAN SOULIERE:** Another first year player. Ryan always wanted to lean more and gave 100% effort all the time. His perseverance, hard work and dedication have brought him a long way this year. We look forward to seeing Ryan out at PeeWee next season.

**#36 WILL MONKHOUSE:** Will was a surprise this season. Another first year player, Will made his presence known right from the start. An intense, coachable kid, Will developed over the season into a dominant force on the field. His speed and aggressiveness caused other teams nightmares all through the season. Will's transition to PeeWee next season should not be an issue.

**#44 ROBIN CREIGHTON:** A kid I have had the pleasure to watch progress into a dominant player. In only his second year of football, Robin improves each week. He is a leader on and off the field and supports his teammates to the very end. Robin puts the needs of his team above everything on the field and it shows. Look forward to seeing you in PeeWee Robin.

**#45 JOSEPH BLACKWELL:** A first year Mosquito, Joe moved over from the offense early in the season and had an impact on the team. His size and strength intimidated the opposition. He worked hard all season and it paid off. Joe will be a solid fixture on the Mosquito D-line next season. Great job Joe.

**#54 BRENDAN RIOUX:** Another first year Mosquito, Brendan showed up ready to play each game. Brendan's hard-hitting style will help the Mosquito team dominate for another year next season as he takes on a greater role on the defense.

**#56 MATHEW CHARRON:** A first year player and the youngest player on the team. Mathew really matured as the season progressed. His hard-nosed tackling and timely interceptions made him a very valuable addition to the team. We're looking forward to another dominating season from Mathew at Mosquito.

**#58 NATE EISNER:** In his 3rd year of football, Nate has emerged as a force on both sides of the ball. His physical "*no holds barred*" presence made the players around him step up and be ready to play and his opponents afraid to continue. Nate took on additional special teams roles this season with great success. Go get them at PeeWee Nasty.

**#64 NICOLAS IERADI:** A first year rookie who showed his abilities right from day one. Nick's natural ability and speed helped solidify the defense. An unselfish player, Nick accepted the challenge of changing positions during the season to help the team succeed. Best of luck in PeeWee Nick.

**#66 CARSON ASSALY:** A first year Mosquito, Carson just stepped right into the middle of things and wouldn't back down. Another player who moved around during the season to play whatever position was required. Carson hard-hitting play and unrelenting pursuit of the ball carrier will make him a force next season in Mosquito. Best of luck Carson

**#72 TYRELL HAYE:** A dominant player all season, it would be unusual not to see him being double teamed all game long freeing up space for his teammates to make plays. Tyrell's work ethic this season was fantastic and it showed in his play. The opposition rarely tried to run up the middle as they knew what was in store for them. Look forward to seeing you in PeeWee Tyrell.

## OFFENSE

**#3 WYATT PARSONS:** Put in a very difficult position this year, Wyatt grew with confidence with every play. QB is arguably the hardest position to grasp and play. You not only have to know what you have to do but what everyone else is doing at the same time. Wyatt stepped up and took on this leadership role with a positive attitude and was an impact player for us in every game. I know you'll have a great season next year for the PeeWees Wyatt.

**#5 CHARLIE KEENAN:** Charlie's determination showed from his first practice this year. This combined with his experience was key to our success this year as our opponents' defenses got stronger. When we needed a spark, key block or burst of speed, Charlie stepped up and became more dominant with every game. Have a great year at PeeWee next year Charlie.

**#7 KURTIS SCHAEFER:** Kurtis made the big step up from Tyke to Mosquito look easy. An all-around athlete, we knew that we could count on Kurtis to make a key block or slotback reverse. Next year at Mosquito Kurtis, you'll be a key veteran for us who we will be calling on when we need a big play.

**#14 TRISTAN GREENLY:** A first year Mosquito, Tristan brought athleticism and a willingness to learn which is key to playing football. Always with a big smile, Tristan can look forward to building on his first year's experience as he goes forward to apply what he's learnt. The PeeWees will be getting a clever, coachable asset with you next year Tristan.

**#17 DESHAWNE SMARDON:** We couldn't wait to get DeShawne back from down East this year. This boy has talent. He's fast; can catch as well as anyone in the league; and this year, he proved he can hit with the best of them when called upon. Look forward to seeing you in the end zone with the PeeWees next year DeShawne.

**#23 DAMON TONEGUZZI:** Damon made the jump from Tyke this year and brought his speed and lateral moves with him. As the season went on, Damon worked hard at adjusting his running and blocking game to suit his new role on the team. With your natural talent and continued work ethic Damon, you'll be a huge threat next year at Mosquito.

**#25 MATTHEW PRESCOTT:** Pound for pound, Matthew proved he could compete with anyone. Determined, hard-working, athletic, Matthew took on any challenge that we threw at him in his first year with enthusiasm. Coaches look for the fire you've got Matthew. Keep up the good work for the PeeWees next year.

**#27 SCOTT JASVINS:** One of our youngest players, Scott proved that when the time came, he could make important catches for us (as he did the year before at Tyke). Next year as a bigger, stronger and a little older veteran, we'll be calling on your experience to teach the new guys the ropes Scott. Look forward to seeing you in '09.

**#43 BRADLEY RUSSELL:** A first time football player, Brad brought his basketball talents to our team this year. His big tall frame and sure hands proved to be lethal and key for keeping defenses honest with our Pro-Pass. We're sorry to lose you at Mosquito Brad. Our loss is the PeeWee's gain however. Best of luck next year.

**#46 JACOB MONTREUIL:** We're excited about getting this first year player back next year. He proved to the entire coaching staff that he'll be a force to reckon with as a veteran. He can hit. He can catch and he always competes. That's a recipe for success Jacob. We'll have some major fun next year on game days.

**#47 STEVEN HANDZIDIAKOU:** Wow! It says it all. A first year player and still with one more year at Mosquito. We can't wait. Speed, determination, raw power and raw talent sum up Steven. Imagine the influence you'll have all year long on your teammates and on our success. Great job Steven.

**#53 MARLON KORDROSTAMI:** Marlon was a key anchor to a very powerful O-line this year. Holes would explode open for our running game in front of him. The backs get much of the glory but Marlon you played a large part (and I mean large) in our success. Not only are the PeeWees excited that you jump up next year but the Bantams are anxious for your move after that.

**#55 CONOR REDMOND:** Conor is an absolute pleasure to be around and coach. You worked hard this year Conor while becoming the veteran we needed you to be. You always knew your assignments and we knew we could rely on you to lead the attack on our running game. You'll be leaving behind some major fans on the Mosquito coaching staff Conor. All the best with the PeeWees.

**#63 JESSE SKUCAS:** From the first Winter Workout, it was clear that Jesse was something special. Modest, strong, competitive, agile, determined, unselfish, aggressive, fearless. I can go on but his quiet leadership and play on the field said it all. You are the ultimate team player Jesse. Take pride in that fact as you go forward and blow them away at PeeWee.

**#65 ANDREW AKINNIYI:** A first year ball player and with one more year to go at Mosquito. Very green at first, Andrew's willingness to learn, natural ability and demeanor soon earned him a starting position. Incredibly pleasant, polite and positive, Andrew you will, without a question, shine for our Mosquitos next year.

**#67 MIKE LUNDY:** After a year away from the game, we got "Speedy" back and we're glad we did. Mike can literally fly and his effort is infectious. You don't need to be big to have a big heart and Mike proved it every time we needed a big crack block or play. We'll be watching for you to be flying up and down the flank at PeeWee Mike.

**#73 JAKE FESTERYGA:** Our only member of our Tyke O-line from the year before able to make the jump up to Mosquito this year. Jake suffered an unfortunate injury but he didn't let this deter his enthusiasm. When we needed him in our quarter-final game, he was there snapping the ball on our winning touchdown. Remember that moment Jake and use it to motivate you for a great second year at Mosquito.

**#82 MITCHELL HENSELWOOD:** This is a ball player. When we needed to shore up our O-line with a veteran presence, there was no question who could do the job and what a job you did Mitch. Huge holes, awesome blocks, enthusiastic attitude and a winning team spirit are your trademark. Who wouldn't want to build a team around you? I know the PeeWee coaches look forward to your move up.

**#83 OWEN KALTER:** Our rural powerhouse. Owen could clear a hole as ferociously as anyone (must of learnt it watching his dad at the Demolition Derby). A powerhouse, Owen thrived on competing. When we needed a key block, we knew he'd give it all for his team. I can only imagine the type of player you'll make Owen at PeeWee as a one-man, teenage wrecking crew.

**ABOUT THE BELL WARRIORS:** The Bell Warriors Minor Football Club offers an amateur tackle football program for boys and girls between the ages of 8 and 17. The Club has been in existence since 1955, with a team in the Pee Wee division. As the league has expanded, so to have the Warriors, and now has close to 138 players competing annually at the Tyke, Mosquito, Pee Wee and Bantam levels. Our territory includes Bells Corners, Crystal Beach, Bayshore, Britannia, Stittsville, Richmond and Munster. Our organization stresses skills development, sportsmanship, and the value of teamwork. Over fifty volunteers help us to attain these goals through their efforts as club executives, coaches, conveners, event organizers and as bingo workers. Without their help, the Club would not be able to function.
