2009 Tyke Coach's Message

As a coaching staff, we entered this season with a lot of uncertainty. We started out with an encouraging number of players during our spring ball sessions at Algonquin College. As the season progressed, some players left, while other players came on board. There were times that we were concerned about numbers, and wondered if we would be able to field a full roster. By the end of the season we had an extremely dedicated group of players, coaches, managers, trainers, and parents.

This season saw two completely different Bell Warriors tyke teams. The first team was learning a new game, learning new plays, learning to play as a team, and learning how to win. The second team put all of that together. We had our first win over a very athletic Orleans team. We had a gritty nail biter against a strong Gatineau squad that came down to the last minute. Everybody got involved in a dominant victory over West Carleton. We prevailed in the always tough quarter-final re-match against Orleans. In the semi-final we pushed a very good Canterbury team right to the last play. That final game was a very gutsy performance and one that you should all be very proud of. This group grew together as the season wore on, and truly became a team. Learning to play as a team is something we stressed as coaches, and this group of Warriors did just that. Individually, the progression and development of you graduating players was fantastic, and is encouraging for this organization going forward.

Football is a very demanding sport. Not only for the athletes, but also for parents and volunteers that dedicate so much time to this great game that we love. It challenges us physically, mentally, and emotionally. As a coaching staff we would like to extend our thanks to all the parents, and volunteers that helped make this season possible.

And finally, we would like to thank the players for their commitment, focus, and dedication to your team, your team-mates, and to the Bell Warriors. You had a fantastic year of football kids, we're all proud of your accomplishments, and we hope you all return to play for the Warriors next year!

Warriors for life boys!

Coach Brian, Bas, Chris, Jon and Joe

BELL WARRIORS 2009 PLAYER PROFILES

DEFENCE

#2 ALEC “fearless” SIBTHORPE: Alec bought into the technique of tackling from the start. It made him a fearless tackler, playing bigger than his body. We look forward to him bringing it again next year!

10 NICHOLAS “start me up!” MCGREEVY: Nick exceeded our expectations once he got his groove. His groove, edge, start up came after his pep talk with Coach Jon! He became a big hitter and earned his position at captain. Wishing you best of luck at Mosquito next year!

#12 GIUSEPPE “coach” PAPALIA: Giuseppe’s football knowledge goes well beyond his age. A third coach he knew the responsibility of every player on the field. He became a shutdown presence on the outside employing techniques learned. He would take a shot and be back in the game! We wish him all the best at the Mosquito level.

#14 TRISTAN “quick feet” MALLETT: Tristan played several positions on defence and proved to be a versatile player. He was very coachable and understood his responsibility well. He was very quick on his feet! We wish you best of luck at Mosquito next year.

#16 MAXWELL “dedicated” SIMPSON: Maxwell was dedicated showing constant improvement and commitment in becoming better, always wanting to be on the field. He became very versatile and we look forward to see him next year.

#18 RALPH “game day” JEAN-JACQUES: Ralph always wanted to play and be on the field. He knew his responsibility extremely well. His willingness to learn made him a pleasure to coach. We are looking forward to see him next year.

#22 TREY “cover me” SMITH: Trey was a good cover guy and he knew his responsibility well. He hung in there when he was banged up....tough kid! We’ll be looking for you next year!

#24 SAMUEL “game face” ROBERTS: Sam always had his game face on and when game day arrived he went to work. He was a dominant force on our squad, played the game with intensity and exemplified what our defence strived to be: a fast hard hitting unit. Wishing you best of luck at Mosquito next year!

#26 JACOB “the force” DUBE: Jacob was a leader on our defence. He elevated the play of those around him and matured as the season went along. He went sideline to sideline bringing maximum effort on every play. His willingness to play was remarkable! Wishing you best of luck at Mosquito next year!

#28 JAKE “freight train” STEELE: Jake developed into one of our hardest hitters. He found a home at defensive end. He bought into the coaches system and excelled with it. His complete focus and willingness to learn brought his competition to another level. We wish him all the best at the Mosquito level.

30 LIAM “can we hit?” KELLY-SCHARF: Liam became strong presence in the middle of our defence. He solidified our d-line, loved competition and always wanted to bang helmets in our circle drill. We wish you best of luck at the Mosquito level next year.

36 JOSHUA “double team” SMEGAL: Joshua bought into the system, followed it and excelled with it. He was explosive off the ball and always had penetration in the back field forcing double teams by his aggressive play. Wishing you the best of luck at Mosquito next year!

BELL WARRIORS 2009 PLAYER PROFILES

OFFENCE

#3 JOSH “shifty” STRENG: Josh started as one of our featured backs but later moved to QB where his ability to throw, run and block really showed, helping to stabilize the offense. When Josh carried the ball he had the ability to avoid hits by using his excellent balance and quickness. Josh still has one more year at Tyke and we look forward to seeing him next year.

5 JACOB (Snake) “easy” PAPALIA: Snake, at 7 years old, played many positions on offense. We played him at SB, WR and RB, he learned them all - very remarkable. Snake is a very easy going kid, who played hard. Even after taking a big hit, he bounced right up with a toothless grin on his face. When he carried the ball, he ran without fear which rewarded him with his 1st touchdown in our last regular season game. We look forward to having him play for the next few years.

7 TYLER “dynamite” BROHMAN: Tyler started the year at QB then moved to RB where the coaches realized he would be more valuable. At RB, he showed great athletic ability and toughness hitting the holes with speed and taking on defenders. The area that Tyler developed the most was leadership, many times offering to give up his weekly award for a player who had not received one. We’ve had the greatest pleasure coaching Tyler for the last 3 years, he is a pure football player, true and true. We wish him all the best moving to Mosquito next year. We know that he will be successful at all levels of the game because of his give-it-his-all attitude and determination.

#11 DEREK “make some noise!” BOUDREAU: Derek, 8 years old, played Offensive Tackle against many 10 year olds, which isn’t easy. He was able to stick with it. He progressed well and continued to improve in games and practices. He still has a couple more years at this level and with his size and the confidence of one year under his belt, we expect to see big things from Derek next year.

#15 MICHAEL “handyman” OGILVIE: Michael played many positions, OL (center and tackle), SB and WR, but it was at WR where Michael made some exceptional catches earlier in the season. He was always willing to learn something new and would give his best effort at whatever you asked of him. He played center vs. 2nd place Gatineau with one hour notice prior to the game and did a very good job against a huge nose guard. He never quit trying and took a few hard hits that game. We wish him all the best at the Mosquito.

#19 PAIGE “busy girl” REDMOND: Paige played WR and SB, and she played them well. She learned her blocking responsibility and made some big blocks for the ball carriers. She also was the double reverse specialist, scoring many times on extra points. Paige will be moving to the next level, we wish her all the best.

25 KYLE “keen” TREUNIET: Kyle moved from Defense to Offense part way through the season where he played SB and RB. A very quite young man, at least on the football field, Kyle did as he was told resulting in him learning a number of positions in a short time. He was always willing to learn something new and did it with enthusiasm, giving his best effort at whatever you asked of him. Kyle has another year at this level, we look forward to him returning with this first year of experience and the same willingness he had this year.

27 CAMERON “don’t back down” KEIGHLEY: Cameron played Center, and being the smallest lineman we had, he never complained about anything. He always played hard, many times against defensive players twice his size. He showed great character and tenacity all year, reliable with the snap count and battled on each down. Cameron is moving to Mosquito next year, good luck at the next level.

29 OWEN “no nonsense” CROUCH: Owen moved from Defense to Offense part way through the season because the Offense needed a hardnosed pounder for FB. Owen picked up the offensive plays quickly, learning his role and executing it with some devastating blocks, many times leading the way for the ball carrier into the endzone. He also carried the ball, and in later games in the season gained many tough yards running between the Offensive Tackles. Owen is moving up to Mosquito, we wish him all the best at the next level.

33 ZACHERY “bigboy” SOULIERE: Zack played Offensive Guard, and showed great improvement as the year progressed. Zack learned later in the season how to use his size to his advantage, sometimes taking on his initial blocker then looking for another opponent to hit. There were many times that he made openings for our backs to either score or make major yardage. Zack is moving on to Mosquito next year, all the best Zack.

35 GENEVA “don’t mess with me” AKINNIYI: Geneva played Offensive Guard. She was always up to the task, playing with determination and toughness. When she first came out, she was unsure about football but she stuck with it and soon became one of our best OL players. Due to her athletic ability, we introduced the Fumbleruski play for her which resulted in 2 touchdowns. Good luck at the next level Geneva.

37 LOGAN “twinkle toes” STATHAM: Logan is another one of our young players playing Offensive Tackle. OL is a tough position to learn, there is no glory and Logan played it with effort and enthusiasm. Logan is a happy go lucky kid who you can’t help but like. He made us all smile with comments or questions, and his running style. With one year of experience, we look forward to seeing big things from Logan next year.

ABOUT THE BELL WARRIORS: The Bell Warriors Minor Football Club offers an amateur tackle football program for boys and girls between the ages of 8 and 17. The Club has been in existence since 1955, with a team in the Pee Wee division. As the league has expanded, so too have the Warriors, and now has close to 138 players competing annually at the Tyke, Mosquito, Pee Wee and Bantam levels. Our territory includes Bells Corners, Crystal Beach, Bayshore, Britannia, Stittsville, Richmond and Munster. Our organization stresses skills development, sportsmanship, and the value of teamwork. Over fifty volunteers help us to attain these goals through their efforts as club executives, coaches, conveners, event organizers and as bingo workers. Without their help, the Club would not be able to function.
