Mosquito Team Program

2009 Mosquito Coach's Message

This was the journey of a lifetime. It was like a dream. A dream that we will all be able to reflect on with ultimate satisfaction and pride for years to come. You became our **Dream Team** and it was an absolute privilege to be there with you for the ride. As the season went on it became increasingly clear to the coaches that this group of boys was born with greatness, you just didn't know it. It was in there, we just had to get it out ... together ... as a team ... and that's exactly what happened. **Your greatness could not be denied!**

On behalf of the Bell Warriors club, I must thank all of the parents and families who embraced and supported our efforts this year. We were blessed with an exceptional group of boys this year and the credit is all yours. Being a football family is a huge commitment and sacrifice of time but please know that your dedication was immensely appreciated and an integral part of our eventual success. **Thank you all!** To my dedicated coaches, manager and trainers, you were my dream team. You have my everlasting friendship, gratitude and respect.

Boys, our recipe for success was fairly basic. We simply asked you to be respectful of the coaching staff and their message. We asked you to work hard and challenge yourselves. We asked you to trust us, trust each other, be ready to try and be willing to fail. That was the key. It is by learning from our failures and pledging to improve ourselves that we grow and excel.

Think back on where we all started physically, emotionally and mentally. Now think of what we achieved. In your wildest dreams, did you know that our team would have what it takes to raise the NCAFA A-Cup Trophy for the first time in the Bell Warriors 50+ year history? The answer is far less important than the underlying lesson we learned on our 24 week journey to the cup. **Just because success seems improbable and difficult does not mean that the goal of success is not worth fighting for.** We now know better. You now have the recipe, confidence, pride and strength that only come from achieving the unachievable. **Congratulations!** You are all undeniably **Warriors for life boys!**

Your friend and coach,

Coach Paul

Paul Stewart

BELL WARRIORS 2009 PLAYER NOTES

DEFENCE

#2 ROSS “Mini Mite” POLITO: One of our first year players. Ross has a heart that’s way too big for his body. He played with the conviction and fearlessness of a true Warrior. A sure tackler and very coachable boy, Ross played the game of his life in the A-Cup championship. Ross will be a force to be reckoned with next year at Mosquito.

#6 LIAM “Your ankles are Mine” MACFADYEN: A first year Mosquito, Liam made the difficult jump from Tyke to Mosquito look easy. A mini dynamo, Liam was one of the most consistent tacklers that any of our coaches have ever worked with. Don’t underestimate this boy’s passion and willingness to compete just because he’s soft spoken. We can’t wait to see you dominate next year Liam.

#12 KHALID “Let me at him” SHUREIH: “Scrappy” is what Khalid is all about. How this small body can generate such bone crunching hits is amazing. We challenged Khalid to change his game to become more of a leader this year and he truly grew in the role. Great job and show no mercy at PeeWee next year Khalid!

#16 SHAYNE “Yes Coach” LABELLE: Another first year player, Shayne always wanted to learn more and gave 100% effort all the time. His perseverance, hard work and dedication have brought him a long way this year. It was our absolute pleasure coaching you Shayne and we look forward to seeing you become a dominant veteran next season.

#22 KEVIN “I’ll be OK Coach” ROBERTSON: A season’s success is the product of many nights of hard work. It’s not easy and coaches need boys to lead by example and that’s what Kevin is all about. We knew that we could rely on this solid, courageous hitter to lead the way. We’re sure you’ll make the transition to PeeWee very easily next year Kevin.

#26 JACKSON “Hammer Time” MARQUARDT: Jackson was one of our most versatile players this year. His willingness to do whatever was asked of him made Jackson a very valuable part of the team. The fact that he lives to hit doesn’t hurt either. Congratulations on making the leap up to Mosquito this year easily. You’ll be the heart of next year’s “D” Jackson.

#36 MATTHEW “That ball’s Mine” CHARRON: Matthew was our Most Improved Player last year. Never satisfied with anything but perfection, Matthew’s dedication to improve has led him to be the most solid safety in the league. An aggressive hitter and a menace to QB’s who like to put up the ball, Matthew will thrive at PeeWee next year.

#44 FRANCOIS “The Chaser” BELANGER: Francois was an absolute pleasure to coach as he progressed every week into a dominant player. A first year boy, Francois gave 110% whether we were in drills or when we needed someone to chase down the opposition. You’ll make an incredible addition to the PeeWee line-up next year Francois.

#46 “Swimming” SAM DULMAGE: A first year Mosquito, Sam used his tall frame to rip and swim through opposition O-lineman with ease. A gutsy player and tough kid, Sam competed with passion and will be a lot of fun to watch next year as he tears up the opposition.

#54 ANDREW “The Slammer” BEATTIE: Another first year Mosquito, Andrew had some bad luck breaking his arm early in the year. We missed him but upon his return, he left his mark increasingly as the season went on. This boy is a football player. His hard-hitting style will help the Mosquito team dominate for another year next season as he takes on a greater role on the defence.

#56 TREMAYNE “I’m getting it Coach” ROCKBURN: A first year player, Tremayne had a lot to learn as a key player on our awesome defense this year. It was amazing to see how he grew with the responsibility and increased experience. By year end, you played like a multi-year veteran Tremayne. Best of luck at PeeWee next year Tremayne.

#58 DARYN “Smiley” McIVOR: Our last addition to the team, Daryn proved to be a *“diamond in the rough”*. A spirited boy, Daryn was a quick learner and soon became an integral part of our “D” with his reliable tackling. Always willing to stick his nose in, we look forward to seeing you continue your career at PeeWee next year Daryn.

#64 MAX “Tell me where to go Coach” ASSALY: A first year rookie who was always willing to do whatever was asked of him. His resourcefulness and good hands allowed him to step up in every defensive back position for us this year. You’re going to be a huge asset next year Max. The coach’s biggest challenge will be deciding where to play you. That’s a good problem to have!

#65 DANIEL “I’m loving this” SCHWARTZ: A first year Mosquito, Daniel committed to do whatever he needed to do to make the huge jump up from Tyke to Mosquito. Guys like Daniel are always at the heart of successful teams. He has the right attitude, spirit and dedication to the game and his team. Keep up the great work next year Daniel as one of our club’s Mosquito leaders.

#66 CARSON “The Hitman” ASSALY: Carson is a coach’s dream. He was the heart and sole of our dominant “D”. A massive hitter with incredible football instincts, Carson was an influential player in every one of our games this year which culminated in Carson leading his teammates to A-Cup Championship. You were born to be a football player Carson and you continue to leave us all inspired. Best of luck next year at PeeWee Carson.

#82 KIVON “The Bammer” WESLEY: There aren’t too many 12 year old boys that can dominate a game like Kivon. He hits like a tonne of bricks, is fast, determined, competitive and has the ability to change the outcome of a game single handedly. It’s unheard of to have a rookie player have that kind of impact. We will all be watching your football career with anticipation Bam Bam.

OFFENCE

#5 ADAM “No Problem” IERADI: Not very often can you have a first year Mosquito answer the call like Adam. With sure hands, solid blocking and a determined running style, we felt comfortable using Adam in a number of different positions as he competed hard for us and his teammates. Next year you'll thrive Adam as a core veteran leader. Good luck Adam.

#7 QUINN “The Quinninator” STEWART: The responsibility of knowing your position and that of everyone else on your squad is huge. You led our team with poise and an inner confidence that is uncommon to see in a young boy. Your coaches and team knew that when we needed to make a vital play, we could rely on you and we did every game. You are a champion Quinn.

#23 JOSH “The Steamer” NWAELLEH: A first year Mosquito, Josh was a threat that most teams had no answer for. Ask our backs and they'll tell you they wouldn't have scored half of their touchdowns without Josh's massive blocks and as a receiver, Josh became a very effective weapon. Can't wait to see you continue to excel at PeeWee next year Josh.

#25 JACOB “You asked for it” MONTREUIL: Coaches build championships with players like Jacob. He could block, had tremendous hands, ran tough and virtually played every position on our “O” including QB. He was *Mr. Reliable!* Incredibly coachable, respectful, pleasant and responsive, we know you'll be a welcome addition to our PeeWees next season Jacob.

#27 SCOTT “Sure hands” JASVINS: Don't let the quiet demeanor of Scott mislead you. When the whistle goes, he's a fierce competitor. When we needed to add diversity to our attack, we often relied on Scott to loosen up the corners, stretch out the defense or hall in an important pass. Keep pulling them in Scotty in 2010.

#34 TREVOR “Take that Redskins” WALSH: A first time football player, Trevor was one of our last additions to our championship squad. Always with a big smile, Trevor continued to learn the fundamentals, and his assignments. Your willingness to focus your time to improve was worthy of praise and will prepare you well to become a key role player for our club next year. Good job Trevor.

#43 BRENDAN “That's my job” SHEAHAN: What a great kid with exceptional spirit. You played O-line, SB, and your role as short and long snapper was invaluable. Competitive, unselfish, strong and pleasant, Brendan was a great player, popular teammate and a joy to coach. What a great 1st year you had. One can only imagine the impact you'll have next year as a team leader.

#45 LIAM “Just follow me boys” COCHRANE: An average sized first year player, we asked Liam to take on the role of blocking D-linemen that were inevitably much larger. It was not an easy task but by year end, Liam was doing far more than block, he was creating big holes. His coaches were blown away by his progress leading us all to expect great things of you next season Liam.

#47 STEVEN “The Blur” HANZIDIAKOU: An undeniably amazing athlete. This year, Steven mastered running off his blocks and lowering his centre of gravity. He was always ridiculously fast but these last two ingredients led Steven to create a legacy that earned the awe and respect of his coaches, fellow teammates, the opposition and anyone that had the pleasure of watching Steven’s genius. The PeeWees are salivating over your eventual debut next year Steven.

#53 CRAIG “You’re Mine” DAWE: It was fantastic to see your desperation and eagerness to compete this year Craig. A big hitter, we thrust Craig into any situation where we needed a reliable competitor. You were a rookie that played like a veteran. Keep challenging yourself Craig and you’ll continue to succeed in your new role as a team leader.

#55 KURTIS “The Pitbull” SCHAEFER: You are one heck of a gutsy football player Kurtis. You were given a pinnacle role on our powerful “O” and it wasn’t always the “glory” job. You were our smash mouth blocker and back and you truly kept defenses on their heels. As the season wore on, your job became even more important as defenses improved and you accepted your role like a true Warrior. Congratulations on a great season Kurtis!

#57 ANDREW “Damn Right” AKINNIYI: Winner of our Coach’s Choice in ’08, Andrew was our only returning veteran O-lineman this year. His infectious smile and spirit helped rally a very young line to blow open huge holes all game, every game. You’ve mastered conquering challenges Andrew like a true champion. Can’t wait to see you do it next year at PeeWee.

#63 SHELDON “The Dominator” THOMAS: We asked Sheldon to master his craft and be a role player for us this year. He was the ultimate team player and proved to us all that there is nothing he won’t do or can’t do on a football field. This is a ball player in the making already with two league trophies under his belt. Have an exceptional year in 2010 Sheldon as a key team leader.

#67 CRAIG “The Steamroller” OLIVER: Craig came back to the Warriors determined to make a difference. Craig thrives on competing. When we needed a key block, we knew we could rely on Craig. Immensely personable, coachable, likeable and dependable, Craig did make a difference and we’ve got the trophy to prove it. Excellent job Craig!

#73 GABRIEL “Remember this number Buddy” DINARDO: Gabe has a huge love for football that is impossible to ignore. A monstrous hitter, Gabe helped solidify our over-achieving O-line. It’s a huge step up from Tyke that Gabe was never intimidated by. He’s a fighter who has learned what it takes to excel and succeed. Bring it on with gusto next year Gabe.
