# Pee Wee Team Program

# 2010 Pee Wee Coach's Message

We started our journey with our spring training camp in May, with over 70 players vying for a spot on the roster. Training camp proved to be a difficult task having to cut down to our 36 man roster limit. In the end we were able to choose what we felt were the top 36 players available. Congratulations, to each and every one of you on a job well done

With training camp completed it was time to get down to business. With only 11 players returning from the 2008 team, we had a lot of work to accomplish. With 25 first-year Warrior Peeewe's, including 13 players who had never put on a helmet and shoulder pads before. We had a lot of work ahead of us, but everyone was committed, and what a year it was. Last second wins, great goal line stands. It was an emotional roller coaster for everyone involved.

Our goal as a coaching staff was to teach the skills required for each and every one of you to succeed. Instill the love of the game each of us have, and prepare you to play at the next level. A true measurement of a team is progression. Every one of you worked hard and it showed each and every day. We could see the improvement each week during the season. You were able to transform yourselves from a group of kids interested in playing ball into a team of Warriors. I want to thank each and every one of you as well as all the coaches, managers, volunteers and parents for the dedication and sacrifice's you had to make to enable us to succeed.

Football is a tremendous sacrifice. With 3 practices and a game, each week. It consumes a great deal of time and energy. For everything you give up, what it gives back is a lifetime of memories and life experiences. It is the ultimate team sport. 12 players working together too achieve a common goal, no one person bigger than the team. Each player affecting the outcome of each play, as much as the other. No other sport is as demanding mentally as well as physically. The friendships along with the memories you have created now can and will last a lifetime.

You are now part of something bigger than a football team. You are now part of a fraternity. You are now a Warrior for life. Congratulation on a great season and I hope to see everyone out again next season.

**ABOUT THE BELL WARRIORS:** The Bell Warriors Minor Football Club offers an amateur tackle football program for boys and girls between the ages of 8 and 17. The Club has been in existence since 1955, with a team in the Pee Wee division. As the league has expanded, so to have the Warriors, and now has close to 138 players competing annually at the Tyke, Mosquito, PeeWee and Bantam levels. Our territory includes Bells Corners, Crystal Beach, Bayshore, Britannia, Stittsville, Richmond and Munster. Our organization stresses skills development, sportsmanship, and the value of teamwork. Over fifty volunteers help us to attain these goals through their efforts as club executives, coaches, conveners, event organizers and as bingo workers. Without their help, the Club would not be able to function.
