# 2011 Mosquito Coach's Message

Go Further.

This is the mantra we adopted this year. In two words, we established an attitude for our team, and we established an identity – it's what made us Warriors. These two words became the foundation of our success. We challenged well over 40 kids to 'Go Further', and as we transitioned from light workout sessions at Algonquin College to crash and bang Warrior football, some players weren't willing to accept that challenge. Those players didn't earn a spot on this team. Every single one of our Warriors earned their spot on this team by accepting our challenge to 'Go Further'. Be proud, boys.

As a coaching staff, we identified areas that needed to be strong in order to be successful. Fundamentally, we wanted to be a strong tackling team. We wanted to be a strong blocking team. We wanted to have dominant special teams. And most importantly, we wanted to be the hardest working team in NCAFA. We wanted to 'Go Further' than our competition.

At the end of our first practice, after only 6 sprints, the beautiful spring evening was interrupted with a loud, unpleasant sound. Startled at first, I soon identified the sound as the huffing and puffing of our young team! Our Warriors had some work to do! To our delight, the boys committed to the sprints, and bought in to our team identity as an honest, hard working football team. It paid off! The boys didn't have to wait long to see their hard work translate into success. In our first game, against West Carleton, we were staring down overtime as time was expiring. Undaunted, our boys 'Went Further' and pulled out a last play thriller on an 80 yard run to give us the win. What a feeling!

As the season progressed, our goal was to improve every practice. The effort from the players never wavered, but we still had our ups and downs. But then something special happened. We went up against the undefeated Bel-Air Lions. We were counted out before we even stepped on the field. In fact, we were already pencilled in for a loss on [www.ncafa.ca](http://www.ncafa.ca). Trailing by a wide margin late in the game our boys never quit. We just kept coming! And coming! And coming! We fell short by just a few points that night, but I could not have been more proud of our boys. We proved to ourselves that night that we were for real. We showed our guts, our courage, and our character. That night showed me that we had something special.

We entered the B-Cup playoffs as the last ranked team. Nobody expected us to win... except us. After completely dominating Gatineau in the semi-finals we earned a rematch with a bitter rival: Myers Riders, who had beaten us in a tough game in the regular season. We were going to get our revenge. Our boys brought the pain all game. Myers could not stop us. It was our day! Now, we can all say, LOUD and PROUD: Mission accomplished!! Well done!! What a great football game! It is one that we will all remember for years. I'm extremely proud of what we were all able to achieve throughout the season, and it culminated in a fantastic finish and yet another championship for the Bell Warriors. That feeling never gets old!

As head coach, I would like to extend a heartfelt thanks to all the coaches. I was blessed with having such a dedicated, and passionate coaching staff. It was truly an honour coaching with you gentlemen. To Veronica our manager, I want to offer my sincere thanks to you for taking on such a huge responsibility, which allowed the coaches to focus on the players. You were a huge part of our success. To Grant, our trainer, you had a tough job that you made look easy. The players were in very capable hands; thank you for all your time and effort. To the rest of the army of volunteers and parents: thank you so much for all your help and support. It does not go unnoticed and we truly do appreciate it. I wish I had more room to thank you all individually.

Lastly, I'd like to thank the players. This team was yours. It was your effort, dedication, and commitment to the team that led to our success. It is my sincere hope that all of you had a positive experience with football this year, and you continue to be involved with this incredible game for years to come. To the graduating players: I would like to thank you for your efforts, and contributions. You have maintained our winning tradition at Mosquito and I know the Peewees are expecting big things of you next season! To the returning players: You stepped in and helped this team win another B-Cup. Our mission next year is clear: we're getting our name back on that A-Cup Trophy! Get started on your push-ups and sprints!

I look forward to seeing you all on the field next football season. Warriors for Life! Go Further!

*Coach Jon Ferguson*

# BELL WARRIORS 2011 PLAYER NOTES

## DEFENCE

**#2 Tyler “The Come-Back Kid” Brohman (LB):** Tyler is a long time Warrior, and a player the coaches have come to rely on. He was asked to do a lot this year. He started the year on defence, before making the move to offence. He was then moved back to defence. It is extremely difficult to make that many changes, but Tyler made it look easy. It was an impressive season for one of our captains. Tyler, thank you for your contributions and team first mentality. It will serve you well as you move on to Peewee.

**#4 “Concrete Charlie” Harris (DT):** Charlie was a first year Mosquito that established himself as a solid contributor as the season progressed. His big frame and tough playing style allowed him to find success at a number of positions. He eventually settled in at defensive tackle and brought stability to the teeth of our defence. His hard hitting style is fun to watch, and we look forward to seeing his development as a football player next season. Great work Charlie.

**#6 James “The Natural” Keenan (DB):** James was a first year Mosquito who quickly demonstrated to the coaching staff that he was a gamer. He captained the secondary, and helped that unit to become one of the best defensive backfields in NCAFA. James’ willingness to learn and improve his craft is an incredible asset as a football player. James had a superb season and expectations are even higher going forward as James will be a cornerstone of the Mosquito team next season. Way to go James.

**#12 Giuseppe “Game Day” Papalia (DB):** Giuseppe is a smart player that always knew his responsibility, and responsibilities of those around him. Football is a mental game first and foremost, and this is where Giuseppe excelled. He was a reliable player in our secondary and we didn’t have to worry about mistakes from #12. Giuseppe was always ready to bring his ‘A-game’ on game day. Congratulations on a great year.

**#14 Malik “All Day” Yusuf (LB):** Malik, as a first year player, turned in an impressive season. He accomplished the rare feat of becoming a captain as a first year Mosquito, and as a first year player. His football instincts are off the charts. His natural ability, coupled with his willingness to buy into our system, allowed Malik to have a dominant season. Malik we’re looking forward to seeing what you can do at Mosquito again next season. You had an impressive season Malik.

**#16 Alex “Smiley” Hart (DT):** Alex was a first year player who quickly established himself as a guy who would give his full effort. Alex found a home on the defensive line and was a steady contributor. His ‘*never give up*’ attitude was apparent to the coaches. His dedication to the team was impressive all season. Congratulations Alex.

**#22 Noah “The Professor” Hunt (DT):** Noah is the kind of kid who is easy to coach. He is a smart kid who makes an effort to do all the little things right. He knew the playbook inside and out – not only his position, but all the others as well. He was willing to learn any position to get himself on the field. Noah quickly absorbed a complex defence, and clearly studied his playbook. That work ethic will serve you well on next year’s team Noah.

**#24 “Diesel Demar” Welsh (LB):** Demar was a 2<sup>nd</sup> year player who became a force to be reckoned with, and a nightmare to opposing offences. He was asked to play a number of positions, and he excelled at all of them. He helped solidify the middle of our defence, and led by example. Demar also served as a captain on our defence and did a great job. Good luck next season at Peewee.

**#26 Ralph “Island” Jean-Jacques (DB):** Ralph is a first year Mosquito who was given the assignment of being on ‘the island’. Ralph showed steady improvement all year, and by the end of the season he was one of the most dominant shut down corners in the league. His pick-6 in the B-Cup was massive! Ralph’s progression as a football player this year was truly impressive, and we are expecting big things from him next year. Be proud of your season this year.

**#34 Jayden “Prime Time” Telus (DB):** When the game starts, Jayden is ready to go! Playing the other corner position, Jayden had a very strong season. He didn’t give opposing receivers any breathing room, and was a solid run supporter. He was a player that was always around the ball – a trait that coaches love to see. It was a pleasure coaching you, Jayden. Congratulations on a great season.

**#36 Shayne “Lights Out” Forsyth (LB):** Shayne made the transition from Tyke to Mosquito look easy. He was asked to play both inside and outside linebacker and excelled at both. Shayne is a very solid tackler, and plays a hard-nosed, ‘throwback’ style of football that coaches love. Shayne does his talking with his play, another admirable trait, and we are looking forward to see him back at Mosquito again next season.

**#44 Cole “The Flash” Condly (DB):** Cole was a first year player who could be counted on in any situation, and at any position. As coaches, having a player like Cole is a real luxury. He was able to step into any position and do a great job. He bought into our philosophy of being versatile and being able to play multiple positions. These things do not go unnoticed, and it will give you an edge going into next season. Well done.

**#54 Josh “Sling-Shot” Smegal (DE):** Josh came back to football after a one year absence and didn’t miss a beat. Josh quickly found his spot at defensive end, and became a very effective pass rusher, and well as a reliable contain guy. His speed, and long reach were perfectly suited to DE and he excelled. Congratulations on a great season Josh.

**#68 Gabriel “The Fridge” Ghadban (DT):** Gabriel was a first year Mosquito who came to the defence from the offence. Gabriel injected size and enthusiasm into the interior of our defence as a D-tackle. Gabriel quickly picked up the defensive system and became a very valuable player for us by plugging up the ‘A’ and ‘B’ gaps. We’re looking forward to seeing Gabriel progress in his second year at Mosquito. Great job!

**#84 Ryan “The Bullet” Pacholik (DE):** Ryan was another first year player who moved up from Tyke. Ryan worked hard at perfecting his foot work and hand work, and became a threat off the edge from his defensive end position. Ryan became a consistent contributor on the defence in large part to his commitment to learning the system and applying the correct techniques. We look forward to seeing you back at Mosquito, Ryan.

## OFFENCE

**#3 Joshua "Straight Arm" Streng (QB):** Josh moved from running back to quarterback midway through the season and immediately brought a calm and disciplined approach to the offence. Josh is a tough runner whose legendary straight arm technique surprised some bigger defensive opponents. His grasp of the offensive playbook was most apparent during the playoffs when he frequently changed the play at the line of scrimmage. Josh is a pleasure to coach. His second year in mosquito will be one to watch.

**#5 Alexander "I Know Coach" Meek (SB):** Alexander's first year of football was an impressive one. He quickly grasped the offence and became an integral part of the power sweep. Being a receiver on a mostly running team can be challenging however Alexander accepted his role with enthusiasm. Alexander's next year of mosquito will be an impressive one.

**#7 Sam "Freight Train" Roberts (RB):** Sam was one of many players that were asked to switch positions mid season. Accounting for over half of the defensive stops at the switch, Sam became equally dominant on offence. He learned the offence in a matter of a few practices and became unstoppable in the backfield. His sheer will to win proved too much for defences.

**#13 Tristan "Roadrunner" Mallett (SB):** Tristan was another blocking receiver for the most part. Tristan had some challenging games this year and at times was frustrated with his results. He quickly adopted the one play at a time philosophy and fought through some difficult games. Tristan is a tough competitor with the heart of a warrior. Congratulations on a great year.

**#15 Dylan "Superman" Ward (WR):** Dylan's first year of football was a memorable one. Often outsized, Dylan showed courage and an unmatched determination throughout the year. A good blocker that understood his role, Dylan always gave 100 percent. Dylan, be proud of your year. Thank you for an outstanding effort.

**#17 Wyatt "Ghost Rider" Krekeler (WR):** Wyatt is a quiet but determined young man that became a reliable part of the offence. Playing multiple positions, Wyatt always gave all he had to every play during practice or a game. His speed and quick feet will prove valuable as he moves up to Peewee. Congratulations Wyatt.

**#25 Noah "Knockout" Hemming (FB):** Noah's first year of football was one of the most dominating in recent years. His punishing running style and knock out lead blocking became a key component to the offensive playbook. Other teams quickly learned to keep their head on a swivel for 25.

**#27 Jean "Mean Machine" Murat (WR):** Jean gave all he had during every play. His lightning speed will be a big part of the 2012 Warriors. Thank you for all your hard work Jean. Congratulations.

**#37 Luke “Cat In The Hat” Dulmage (SB):** Luke was an integral part of the offence this year. Luke played three different positions on offence and soon became an effective blocker and receiver. He did all that was asked of him and more. Congratulations Luke.

**#43 Jonah “What’s my Name Coach!” Ghadban (OL):** As he puts it....the better looking of the Twins of Destruction...Jonah was a pleasure to coach and a team favourite with the offensive crew. Playing multiple positions, Jonah had a successful year. He steadily progressed all year. His 2012 year in mosquito will be a great one to witness. Jonah Rocket Left!!!

**#45 Steven “The Anchorman” Schwartz (C):** Steven took on a difficult position and made it his own. He dominated the middle of the line both in his pass blocking and run blocking. Steven`s abilities progressed steadily throughout the year as did his confidence. Another returning player, Stevens 2012 campaign will be a memorable one. Be proud of what you accomplished Steven.

**#55 Zachary “Zack Attack” Souliere (OL):** Zack was dominant both as an offensive lineman and as a fullback. His only response to anything that was asked of him was “yes coach”! His most memorable moment was his 35 yard touchdown run. Defenders parted like The Red Sea when they saw Zack turn the corner in full stride. Zach Attack, thank you for a great effort this year. We could not have done it without you.

**#63 Owen “Silent Assassin” Couch (OL):** Owen was one of many players that was asked to change positions mid season. He did so with a great attitude and enthusiasm. He provided rock solid protection to the right side of the line as well as backing up other positions. Owen is a hard hitter and is going to have a great returning year. Thank you for a great effort Owen . I appreciate all your hard work.

**#65 Connor “The Rage” England (OL):** Connor was a first year player that quickly picked up the game and progressed steadily throughout the year. Helping Zack on the left side, Connor provided much of the run blocking against bigger, faster opponents. Connor is a pleasure to coach and a great addition to the Warrior Family. Thank you for all your hard work.

**#67 Aidan “Great Wall of China” Wilson (OL):** Aidan switched positions not once but twice. A positive force on the offence, Aidan gave all he had all the time. Aidan is just realizing his potential as a football player. His upside is impressive. Aidan, thank you for your hard work and dedication. Good luck in 2012.

**#73 Marlon “Coach Am I In This” Pierre (OL):** Marlon was a first year player that quickly adapted to the hard work and struggle of a football team. A quiet player who, at times, showed amazing potential Marlon has a tremendous upside. Marlon, Thank you for your hard work. Keep up the hard work and we will see you in 2012.
