Email: info@bellwarriors.ca for details.

Last year, Warriors volunteers raised close to \$4,000 for our club as 50/50 ticket sales people at our Ottawa REDBLACKS games! The Warriors have the opportunity to raise thousands of dollars again this year for our club and we are looking for volunteers to make it possible. Volunteers will need to be on-site at TD Place two hours before a selected game and sell tickets until half-time. You will then be able to watch the remainder of the game ... for free!

Youth between the ages of 16-18 are also needed to help with the tickets (and will be credited with volunteer hours for school). You can pick the game(s) you would be willing to volunteer for.

If you are interested, please email info@bellwarriors.ca for more details ASAP!

In 1999, the Bell Warriors initiated the Warrior Scholarship program offering two \$1,000 scholarships to ex-Warriors who are pursuing post-secondary education. Participation in a post-secondary football program is not a pre-requisite. There are however, three selection criteria – academics, Warrior experience, and community involvement. Applications must be submitted by August 1 and must include an original letter describing both the applicant's experiences with the Warriors as well as his/her volunteer involvement with the community, a transcript of the applicant's previous year's marks, a notice of acceptance from the selected university/college (for first year students) OR a note from the school indicating the applicant's return for a succeeding year, as well as any letters of reference. An independent committee, as chosen by the Club executive, makes the selections.
