2015 Tyke Coach's Message

Your 2015 Warrior Tyke Volunteers (l to r): Phil Lavigne, Jesse Graham, Brian Patterson, Andrew Wightman, Jill Dulmage, Shawn Morissette

Having fun and playing exciting nail biting games summed up our season. We knew this year's Tyke team had the potential for a big year.

We were very proud to coach a group of players that never quit despite our record this season. Bad luck and injuries we feel cost us. The improvement from game one to the playoffs showed us as coaches the care and pride each player took being a Warrior.

As coaches, we try to create a team that we feel will be competitive. We also want the kids to have fun and learn the game. Our goal to improve

from start to finish while having fun was very important. We as a staff felt that was accomplished.

Key injuries and untimely mistakes cost us, but we learned from them as the season went on. There was never any quit in this group. We enjoyed coaching this group and will miss the players that are moving up. Our season was filled with challenges. There was a greater number of new players, injuries and lower attendance, may have been a factor in some of the close games we played this year. The kids fought hard in all the games though. There is no doubt in the coaches' minds that this group of players could be successful. Our defensive team this year was arguably the best in the league. After each and every game the opposing coaches commented on how tough the game was and hoped they would not have to face this defense again.

On the behalf of the Tyke coaching staff, I would like to congratulate the team on a fun season. Although, the season was filled with ups and downs, it did not deter the young players from working very hard each and every game. We were encouraged at the kids improvement game after game. We are excited about returning players next season and will miss the players that are moving up to the next level. We wish them every success.

Congratulations on a great season boys and to all of our parents, volunteers and coaches, I want to thank you for all of your support this year. We couldn't do it without you. Thank You!

Coach Brian Patterson
