# 2016 Tyke Coach's Message

Well folks we have come to the end of a long journey. The coaching staff of the tyke program would like to extend a sincere thank you to all the parents who entrusted us with these gifted children this year. When the year began, the coaches were a little worried about the fact that we would only have 8 veterans returning. However, from the winter workout to training camp, we could instantly see that we were blessed with an entire core of disciplined young gentlemen ready to learn what football was all about.

For any parents new to the league, do not kid yourself we had a rough schedule this year against A ranked teams. Even if the scores may not show it, we had one heck of a tough team this year. The lessons learnt for the first timers in a sport are invaluable. Our last minute loss to the Kanata knights was heart breaking and should have broken all moral but it did not. Week in and week out every kid came to get better and chase that goal of a victory.

The objectives of the tyke program are to see progression and comfort in a team environment, the coaching staff believes our little tykes achieved both superbly. We saw rookies leaning on veterans and team spirit stay strong even during the direst of times which speaks highly of the character of these young men. We saw progression in our second meeting of Cumberland, an A class team that picked at us during our first encounter. That second encounter was a different realm though; this time the Warriors were placing a team of brothers that had struggled together and were not going to lie down.

It is important to remember that especially at tyke winning games is a very small percentage of what matters. The little moments like a 7 year old holding his ground against a 10 year old in the name of his team are too numerous to count, but must be appreciated. Every tyke this year had a chance to show that he wanted to be part of a team; and the coaching staff can truly not think of anybody who didn't seize their chance. So finally again we want to say thank you to all for the discipline and energy of the season. We wish you all luck in your future football careers.

The Club has been in existence since 1955, with a team in the Pee Wee division. As the league has expanded, so to have the Warriors, and now has close to 138 players competing annually at the Tyke, Mosquito, Pee Wee and Bantam levels. Our territory includes Bells Corners, Crystal Beach, Bayshore, Britannia, Stittsville, Richmond and Munster. Our organization stresses skills development, sportsmanship, and the value of teamwork.
