2018 Tyke Coach's Message

On behalf of the Warriors '18 coaching staff, we would like to extend our thank you for entrusting your young gentlemen this year. It was our sincere pleasure to share the experience of the tyke program with everyone.

At this, the most fundamental level of football, the coaching staff have specific expectations of what must be achieved by the team at the end of the season. Hopefully the athletes will display progression in endurance, sportsmanship, safe contact skills and most importantly ability to work as a team to get a job done. Many tykes experience football as their first team sport so instilling the four fundamental expectations can and will assist them in many endeavors throughout their life. As a bonus, if the stars are all aligned, it is the hope of the coaches that through small victories a few overall game victories will be achieved as well.

It is with pride that we can state that this 2018 tyke team completed its expectations with general ease this year. Through determination and team work, the Warriors went 4-4 on an extremely tough season schedule. No loses this year were ever handed to an opposing team because the Warriors never gave up the fight along with never halting the cheering of their fellow teammates.

One noticeable highlight versus other seasons is the coaches noticed that there was absolutely no grudging, pouting or excuses when times got rough. This speaks to the advanced level of maturity this young crew have/ Their parents should be very proud. Without a doubt ,if the level of maturity displayed this year festers in this crew as they advance through the levels, while developing more technical skills they will be a force to be reckoned with.

One more noticeable highlight was that there were no injuries for over a minute this year which is extremely satisfying. Our 2018 tykes hit hard but safe at the same time.

Congratulations on a terrific season. For those players moving up to Mosquito next year, we wish you the very best and for those players remaining at Tyke, we look forward to you leading our Tykes in 2019. **Warriors for Life!**

Thank you,

Coach Brian Patterson

ABOUT THE BELL WARRIORS: The Bell Warriors Minor Football Club offers an amateur tackle football program for boys and girls between the ages of 7 and 23. The Club has been in existence since 1955, with a team in the Pee Wee division. As the league has expanded, so to have the Warriors, and now has close to 138 players competing in tackle football programs annually at the Tyke, Mosquito, Pee Wee and Bantam levels. Our territory includes Bells Corners, Crystal Beach, Bayshore, Britannia, Stittsville, Richmond and Munster. Our organization stresses skills development, sportsmanship, and the value of teamwork. Over fifty volunteers help us to attain these goals through their efforts as club executives, coaches, conveners, event organizers and as bingo workers.
