Bantam Team Program

2011 Bantam Coach's Message

The 2011 Bantam season was one that started with a cautious but confident attitude among the coaching staff. We were coming off a somewhat disappointing 2010 season, but we felt that we had the core to show a marked improvement. An early fluke season-ending injury to Tyson Littau that happened during our winter work-outs at Algonquin, cost us an experienced dependable receiver. However, we had some strong new talent show up at training camp and we felt that things looked good.

After a 4-4 record in the regular season, we once again travelled to Cornwall to play in a quarter-final game in the usual cold and dampness that always comes in mid-October, Just like 2010, it was a very close but high scoring game with our boys winning on the final play of the game. When we left the field after the game, one of our coaches remarked that it felt like we had just robbed the local bank and were sneaking out before anyone realized what had happened. Again, just like 2010, it was probably the best game we played all year. It was certainly the most exciting.

That win got us into the "A" Cup semi-finals. As coaches we always stressed that the "A" Cup was the goal right from training camp, so to get there placed us among the top Bantam teams in the league and we were very excited. Unfortunately we lost that game to Myers, but it was a great effort by all the players. Many of them were very upset as they realized they had played their last game as a Warrior. It's always difficult to console a 16 year old as he leaves the playing field with tears in his eyes. Football is a very emotional game and I can tell you that I was extremely proud of our boys on their effort, their determination, and their willingness to fight to the last play of each and every game. There was no quit in this bunch and, as coaches, that's all you can ask.

On behalf of the entire coaching staff, I would like to thank all the players for their hard work during the season. We would also like to extend our best wishes to our graduating players – you hopefully leave our program with some lessons learned about team-work, effort, sportsmanship, and determination – the sort of life-lessons that can be applied to whatever you do in your future. On a personal note, I would like to extend my sincere thanks to the 2011 Bantam coaches. You all put in long hours in all sorts of weather and remained positive throughout the year. The players feed off the coaches attitudes and so it's very important that they see a cohesive group of adults.

To all the returning players, 2012 is going to be a good year. With the sort of effort you showed in 2011 combined with another strong core of graduating Pee Wee players, you should once again be contending for the "A" Cup.
