Pee Wee Team Program

2011 Pee Wee Coach's Message

Football is far more than a game. It is a reflection of character; selflessness; competitiveness; determination; the thirst to succeed and a passion for life. If you didn't know that before our record-setting season, I'm sure you all do now.

We had a magnificent 7 young men returning to lead our team this year and we were fortunate to gain a nice core of 13 graduating players from our Mosquito program and a couple of boys that returned to our program. The balance of the team was populated with a dozen boys that had never played for us before. It was hard to know what to expect this season, but one thing was for sure, despite the fact that we would be considered to be undersized, young and inexperienced, the 34 boys that made our Pee Wee team earned that right to be there through their hard work.

I'm a firm believer that the difference between successful people and everyone else is not a lack of knowledge or lack of strength, but rather a lack of will. For our boys to enjoy any level of success this year as a team, they were going to need one thing ... **they needed the will**. Every hour of every practice we challenged our boys to trust us; to challenge themselves and teammates; and to do what it takes to grow. They learned the value of hard work by working hard. Boys....you are true competitors.

I truly hope that becoming the first Warrior's Pee Wee club in 55 years to ever go undefeated, demonstrates the greatness that lives within each of you. *Your success, and our success as a team, was the product of your belief, your commitment and ultimately... **your will!*** Congratulations boys on a historic season for the club and a year that none of us will ever forget.

On behalf of the Bell Warriors club, I must thank our army of supporters and family members; our volunteers on the side-lines and for the canteen; our trainers and manager and my dedicated coaches. We couldn't have had the success we did this year without your immense contribution and commitment of time. It is very much appreciated and on a personal level, I cannot thank you enough for your support.

I find it immensely motivating and inspiring to surround myself with young men that tackle their challenges. The lessons you have learned and clearly embraced on the field during our incredibly successful year will serve you as well off the field. You became stronger than you had ever been. You became more confident than you had ever been and for me personally, it was a true honour and privilege to witness what you all became. **You are truly ... Warriors For Life boys!**

Your friend and coach,

Coach Paul

Paul Stewart

ABOUT THE BELL WARRIORS: The Bell Warriors Minor Football Club offers an amateur tackle football program for boys and girls between the ages of 8 and 17. The Club has been in existence since 1955, with a team in the Pee Wee division. As the league has expanded, so to have the Warriors, and now has close to 138 players competing annually at the Tyke, Mosquito, PeeWee and Bantam levels. Our territory includes Bells Corners, Crystal Beach, Bayshore, Britannia, Stittsville, Richmond and Munster. Our organization stresses skills development, sportsmanship, and the value of teamwork. Over fifty volunteers help us to attain these goals through their efforts as club executives, coaches, conveners, event organizers and as bingo workers. Without their help, the Club would not be able to function.
