# 2012 Mosquito Coach's Message

The 2012 Bell Warrior Mosquito Team was a process and experience I will never forget. I continue to look back and be amazed on how these young men sacrificed and committed to each other unlike no other team I have ever seen.

When you begin such an undertaking, you can never be quite sure of how it will evolve or grow. We had assembled a great team of volunteer coaches and managers that shared a common vision, the heart of which stated **our team would work harder than any other team out there.** Having a vision and writing it down is one thing. Getting 34 young men to accept that vision is entirely another matter. The moment the coaches and I knew we had a special group was when this acceptance took hold. The kids responded. We ran sprints more than any other team. We challenged the boys to work on their off days and we could see they were. The moment that stands out, as a shining example of this hard work and conditioning, was Shane Forsyth running down a bigger faster running back 45 yards to save a touchdown. I knew then we had something special.

As the season progressed, and the victories mounted, our biggest challenge was to keep the team working at a high level. We soon adopted the mantra of practicing as if we hadn't won a game yet. Once again the boys responded. They worked harder as the season progressed **despite** their success! We kept saying work hard and good things will happen ... .. and we were right.

An Undefeated Season is a special and rare thing. Reflecting upon it now, I firmly believe it was what each player expected of themselves and each other. Many more talented teams (the coaches and I have been associated with) did not come close to this. The difference on this team is that they did this, not for personal glory, not for stats and not for all-star teams. They accomplished this for each other. When players decide to play for each other above all else, they become unstoppable.

The last thing I said to this team (in an emotional victory speech) was **remember this day!!** Remember that when times get tough and you get knocked down, get up and work harder. For me, the 2012 Bell Warriors Mosquito Team will be my own personal reminder to do so. On behalf of the entire 2012 Mosquito Staff thank you for an unforgettable year.

*Coach Mike Polito*

# BELL WARRIORS 2012 PLAYER NOTES

## DEFENCE

**#2 Ralph "The Falcon" Jean-Jacques (DB):** Ralph is a fine football player and a great person. After suffering an unfortunate injury, Ralph embodied the true warrior spirit by showing up to practices and games to support and help his teammates. We wish Ralph the best of luck as he moves up to Pee wee next year.

**#6 Jake "The Snake" Papalia (DB):** Snake is a tremendous leader and motivator. He showed speed, physicality and exceptional football sense. He called the formations for the secondary and ensured that everyone was aware of their play and responsibility. He kept attitudes positive throughout practice and games with his unique sense of humor. We expect Jake to step into a bigger leadership role as he returns to Mosquito next year.

**#12 Andrew "The Hammer" Fullerton (LB/S):** Andrew was the hardest & most feared hitter at Mosquito. He was forced into the rookie position with a one year absence for health reasons. Andrew joined us after spring training and was a blessing to our team. He was captain and a leader with great versatility, playing inside and outside linebacker and free safety. Andrew is a gifted football playwright the ability to make big plays consistently. He was the kind of player that makes coaching a pleasure. We wish him continued success and expect nothing but greatness as he moves to Pee wee next year.

**#14 Malik "All Day" Yusuf (LB):** Relentless, hard hitting, energetic, gifted, never die, big time! Malik, a force on defence, knew his position and had a natural nose for the football ALWAYS! He was our captain and leader on the field with endless energy and spirit that stands out amongst the Warriors. Malik elevates his teammates and breaks down the opposition. He stood out immediately and was feared by the opposing offenses. To defend him he was often double-teamed and Malik's signature "shoe string tackle" prevailed. As Malik moves on to Pee wee next year wish him continued greatness!

**#16 Lucas "Ace" Abfalter (DB):** Dependable and reliable this first time football player had the ability to make big plays at opportune times. Lucas has great work ethic and was a pleasure to coach. We wish Lucas the best of luck at Pee wee next year.

**#24 Nolan "Big Play" Harris (DB):** Nolan's tremendous football awareness and never say die attitude, propelled him to have a phenomenal season. His greatest strengths were his ability to be in the right position and make the sure tackle. Nolan has a nose for the ball which put him in the best position to make jaw dropping plays. We expect Nolan to have another big year at Mosquito next year.

**#34 Ben "Never Quit" Edouard-Williams (DB):** An incredibly gifted young man, was a late but integral addition to the secondary. Determined and driven, Ben showed a commitment to the team that few would have. A true warrior, Ben's athleticism and thirst to learn the game will truly help this first time player be an asset for Bell Warrior teams to come. Ben will have another year at Mosquito

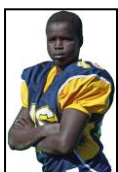

**#36 Shayne "The Natural" Forsyth (LB):** The captain, the leader, the quarterback of our defence, this young, exceptionally talented athlete displayed natural ability on the football field. His effort and focus level in practice was ALWAYS 100%. This transformed on the field on game day. His hard hitting was feared, #36 was noted immediately by oppositions. Shayne is a player that exemplifies the definition of a warrior. His signatures included, never taking a play off, sure tackling second to none and always playing at the highest level with success. He was an absolute pleasure to coach and his work ethic will contribute to continued greatness as he moves up to Pee wee next year.

**#38 Sean "The Silent Assassin" Gariano (DB):** Incredibly fast and skilled, Sean was late addition to the team but quickly picked up the plays and nuances of our defence. Although Sean seemed quiet his will to compete and play with aggression shone brightest on game day. Sean's instinctive ability to tackle and be a team player will serve him well as he moves up to Pee wee next year.

**#44 Kyle "Ball Hawk" Crabtree (DB):** Kyle was a solid player regardless of where he was asked to play. Kyle's versatility helped solidify the defence. He had the ability on special teams to make big plays including his hard hitting and fumble recoveries. Big things are expected from Kyle as he returns to Mosquito next year.

**#46 "Stone Cold" Jalok James (DB):** Jalok, a first time player earned himself a starting role through hard work and determination. He played through a nagging injury and succeeded beyond expectations. Jalok was appreciative of the opportunity to be a part of this team. We wish him best of luck as he moves up to Pee wee next year.

**#54 Steven "The Claw" Schwartz (DE/LB):** Steven was an extremely coachable player. He had great focus and was very responsible and reliable. His development into the second half of the season propelled him to be an impact player. Steven had great versatility which enabled him to play defensive line and linebacker on any given play. His exceptional knowledge of the plays made him an asset to our defence. Wishing Steven the best of luck as he moves up to Pee wee next year.

**#58 Lucas "The Little Man That Could" Quattrocchi (DT):** A first time football player, Lucas overcame his inexperience and embraced the hard work. Lucas routinely lined up against bigger players in both games and practices. His will to focus and effort level to compete in practice and games were his greatest assets. Lucas was a pleasure to coach and will be welcomed at Mosquito next year. He wasn't one to back down or complain as he truly understood the concept and gain of hard work. Lucas will return to Mosquito next year.

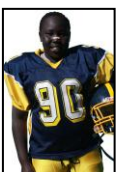

**#66 Kane "Big Push" Obas (DL):** Kane joined the Warriors after playing several years with another club. He quickly adapted to the environment here at Bell and improved every play and every practice. Kane was permanent disruptions in the opponents' backfield. He was a player the followed instruction to perfection. He was an absolute pleasure to coach and wish him continued success as he moves up to Pee wee next year.

**#68 Ryan "Gabby" Pacholik (DE):** Ryan quietly led his defensive line to be an overpowering and dominant force in every game. Ryan being one of our "Twin Towers" broke down opposing offenses. Ryan's willingness to compete was one of his greatest assets. A third year player who was a captain, Ryan led by example in practice and games. We wish him continued success as he moves up to Pee wee next year.

**#72 Noah "Heart" Hunt (DL):** Noah is an extremely coachable player. Unfortunately his role was sidelined by his injury. It was difficult to determine whether the heart break was greater for the coaches or Noah. Noah displayed his loyalty for his team with his support throughout games. All attempts to return had failed. It was still clear that Noah's heart was on the field. We wish Noah the best of luck as he moves up to Pee wee next year. We all know where he belongs is on the football field.

**#90 Manny "I love football" Akol (DT):** A first time player, Manny caught on quickly and contributed from the start. His love for the game drove him to work harder and strive to be better. He embraced everything that signified team. Manny was like a kid in a candy store on the football field. He was bursting with passion and positive energy when he was on the field. This warrior spirit will carry him far as he returns to Mosquito next year.

## OFFENCE

**#3 Joshua “The Red Rocket” Streng (RB):** Josh tore up the gridiron this year with tremendous speed and running instinct. If he saw a few inches of daylight he was impossible to catch. His spin move has become legendary. Josh was a pleasure to coach. He always had a smile on his face and was a leader to his fellow players.

**#5 Alexander “Viper” Meek (SB):** Quiet and unassuming, Alexander was a critical part of the offensive effort. He sacrificed a larger role in the passing game to act as back-up quarterback. Any other team would have gladly made his a starter. Alexander could always be counted on for a key block or to go in at QB when needed. He has yet to fully realize his potential.

**#7 James “Brady” Keenan (QB):** James is a warrior in every sense of the word. He led the offense and in fact the team during victory and defeat. A natural athlete, James stepped into the QB role and never looked back. It was a privilege to coach James and watch him evolve into the leader of the team.

**#13 Blake “Shake and Bake” Adam (WR):** Blake was a pleasure to coach and always gave 100%. What Blake may lack in physical size, he more than makes up with his determination and work ethic. Football is a game of heart and determination and Blake is a role model for all of us.

**#15 Nolan “The Import” Smith (SB):** Nolan was a great addition to the Warriors in 2012. He was a key receiver when the offense needed a first down. **#37 Charlie “*Chuckie*” Harris (FB):** Charlie was the heart and soul of an impressive running game. He cleared the way for his teammates and gained the tough yards when called upon. Charlie, on a number of occasions, closed out the game by gaining tough yards for key first downs. A great effort Charlie.

**#63 Jack “*Jumping Jack*” Johnston (OL):** Jack was frustrated by injury for part of the year but made the most of his time on the offensive line. At times he dominated his opponent with ease. Jack will be a key player in 2013.

**#65 Connor “*Snow Plough*” England (OL):** Connor was a dominant player in 2012. Often calling for the play to come to his side, he earned the respect of his teammates and coaches. Connor always worked hard and was quick to praise his teammates. He is on the verge of becoming a dominant player in NCAFA.
