2012 Pee Wee Coach's Message

This season was full of the highest of emotions and the season ending game is still vivid in our minds. However, the first thing I want to say is this, "let's not be defined by the outcome of our last game. Let's remember the hundreds of great things that we accomplished together and let's continue to accomplish great things for Bell Warriors Football ". Every day, every week, every practice and every game is a chance to improve and test ourselves. The Grid Iron is a special place where more than just football takes place. We become life-long friends with some and at least football season friends with many. The life lessons that leap out of our season are that we accomplished many things and all but 1 of our goals. We prepared to win the battles, we practiced with purpose and we performed at the highest of levels. In short, we did everything asked except hoist the trophy. Be assured, that although this was disappointing, nothing was lost in the amount of hard work that was done to achieve at this great height.

Now let me back up and recap what a great season we had. On behalf of the Bell Warriors Football Club and the Pee wee parents, I would like to thank the efforts of our Coordinators and their Assistant Coaches as well as our Trainer and our Equipment Manager and lastly our Team Manager. Their collective efforts guided our boys through a long process and we couldn't have done it without their preparation and selfless giving of time. To you the parents of our "Warrior Nation", you have always been supportive and energetic and your passion as fans is unmatched. You truly have become the "13th man" on the field for us. Volunteerism is never a chore when you love what you are a part of. We needed you this year and we want you to stay involved as the years come and go ... **Warriors For Life!** This year's team started with a great deal of promise as we had a terrific group of returning players from the previous year's accomplished team. We reunited a coaching staff from a couple of years ago that get along very well and have similar attitudes toward the game, discipline, coaching philosophy , and we added 3 first time coaches who rounded out our staff. Even before we took the field against opposition, I and our staff knew that we had the makings of a special group. Added to this was the continuous amount of boys who wanted to come out and be a part of something new and hopefully rewarding. Once again our Bell Warrior Family has grown with the addition of many families that are either new to the area or new to our sport. This is both a blessing and curse because good players and excitement only create great expectations.

This year's team lived up to those expectations and predictions. Our offense was the most potent offense in the league and our defense was formidable (5 games with 50 or more points scored and 4 shut outs). As the season moved forward, the Bell Warriors were no secret. We were the measuring stick. Teams that lay claim to greatness, win every way they can. We won in a thriller in Beckwith (49-48) and we won a slugfest play-off game (8-6). These 2 games were statement games as we gave notice that we could compete on any playing field and we were ready for the challenges that lay beyond. We all know how that last game ended, but it doesn't take away from the hundreds of great plays before and during that game. Many in this group of boys have played on good teams and on season-ending winning teams, but I'm sure this season will be as memorable as any thus far. C Cup, A Cup, B CUP, A Finalist, A Finalist ... this is a lofty place to have played and mediocrity is for other teams.

As your coach, you know that I wanted that trophy as much as anyone, but I am proud of your effort and hard work and am I proud of the way you achieved at the highest level each and every week. I said it 2 months ago and I will re-set it today, "I would take this team back on to the field and play them again". You are a special group of talented boys, and I was proud to lead this team each and every week through one heck of an exhilarating season. This year, as well as any great year, the winner is Bell Warriors Football. You have continued in the footsteps before you and you have provided leadership for others to follow. **You are winners!**

All the best, *Coach Tim*
