2013 Pee Wee Coach's Message

With only five returning players the 2013 Pee Wee Warriors were going to be a challenge from day one. Without a heroic effort from our manager Carmen Schwartz we would not have had the numbers to field a team at all. First year players were going to play critical roles and players new to football were going to be starters. We also had a crop of eager new coaches ready to jump in with both feet. We knew that 2013 was going to be a tough. The only thing we knew for sure that if we worked hard good things would happen.

Losing your first four games was something none of us had experienced before. Players and coaches alike knew the lack of experience on the team was going to be something we all had to address and try to overcome. Even during those tough games we had players play beyond their experience and ability and grow as players but more importantly as men. They faced better bigger and stronger teams but they kept fighting. They began to play for each other. I knew we were coming together as a team when we faced Bel-Air. Clearly outmatched, the boys kept fighting. We kept scoring against a tough defense and we made key stops to give ourselves a chance. Players stepped in when key players were injured and everyone played a complete game. Despite the scoreboard that game, for an emotional Head Coach, that game represented our season.

Losing the C Cup was a disappointment for everyone. We had turned things around and fought to represent our club in a final game regardless of the letter. We were proud to be the only Warrior Club still on the field. Looking back now, I have never been prouder to be a Head Coach. This season changed a number of us, players and coaches alike. Nobody likes to lose but this year has made us better in many ways. When we're tired and on our last sprint we may do a few more because we will remember the losses. I look forward to seeing this team in 2014. Get your popcorn ready.

I want to thank all the Pee Wee volunteers for an incredible effort. When you lose games, you begin to question yourself as a coach but the support I was shown was incredible. Everyone was committed to the boys first and foremost. It was an incredible experience for me. One I will never forget.

Thank you all,

Coach Mike
