2017 Mosquito Coach's Message

Amazing year!

What a wonderful experience I had as a New Head Coach. It will be a year I will not forget. We had our ups and downs. These wonderful girls and boys amaze us each season and this is why I love coaching.

We knew this season was going to be a challenge with new rules being put in place by the league. But as a Head Coach I really wanted to take on this challenge with lots of help. First we needed a great organized Manager and Jill Dulmage stepped up and was amazing all season with lots of help from our great parent volunteers. Next step finding great coaching that would have the best interest of the kids first, We were lucky to have Pat Kilmartin as our DC this season with his coaching staff. Joe Stobo as DL coach and JB Robillard and Raymond Davies as our DB coaches amazing job coaches. It was a light offence of coaches with Brian Jensen as OC and Scott Lohnes as OL coach and with some help from myself with the receivers also recognize Reese Jensen and Demian Gonzalez for their volunteer help. The experience our coaches brought to the team was irreplaceable. Thank you coaches and all volunteers.

Our main goal this season with our young team was to make sure we were having fun and making sure each kid improved him or herself by the end of the season. From the coaches perspective each kid improved in some part of their game and themselves. Amazing job. Though our season had its ups and downs as a team we improved so much and they took care of each other learning that team comes first. If you were at the last game of the season when we went into 4 OT's, I saw the heart and passion for each other on the field. What an amazing game, bring that out next season and you'll be successful.

Even as I look back on our season, I'm so proud to have received the opportunity to coach these girls and boys and what they have accomplished together.

All the best in your future seasons as a Warrior and hope to get another opportunity to coach in this amazing club. **Warrior for Life.**
