2018 Mosquito Coach's Message

Reflecting on the 2018 Bell Warrior Mosquito Season. I would say it was a season of learning, a season of growth, a season of development. This was a very young team with a lot of the players coming from six-man tyke. The big field with 12 players on the field was a major adjustment for a lot of them. A very long time ago I was told by a coach I respect very much, a coached I learned to coach from, ***"Wins and losses do not matter. Are they better players at the end of the season? Did they learn to respect the game and their team mates? Most important of all, did they have fun?"*** He went on to say, ***"You take care of those three things as a coach and the wins and losses will take care of themselves."*** Looking back on the 2018 Mosquito season, I would say the answer to all those questions is a resounding **YES!!!**

I want to thank all the coaches for their time, effort and dedication to this team. I wanted to create a positive environment where the players could learn, not feel threatened and enjoy the experience. You guys on the coaching staff came through with flying colours. I very much appreciate that. I also want to give a shout out to Jill our manager for keeping us organized and to Troy for making sure we were properly equipped and to Genn our trainer who kept us healthy. **Thank you!**

I also want to thank the parents for their support. It takes a village to raise a child as the saying goes. The team felt the support. They knew the parents were behind them win or lose. They knew the parents and coaches believed in them and therefore they started to believe in themselves and we all saw the result of what happened when they started to believe.

We definitely had our struggles at the beginning of the year, however, I will go on record to say that this team pulled off one of the most amazing turnarounds of a season that I have ever been a part of. In our first four games we averaged 42 points against 3 points for. In our last four games including our C Cup championship, we averaged 25 points for a game with only 8 points against. **Amazing!** Congratulations to the 2018 C Cup Champion Bell Warriors Mosquitoes. You boys and girls earned it. The Arrow is pointing way up! ***Warrior for Life!***
