2019 Pee Wee Coach's Message

Rebuild or Transition?

Both are words that would describe this year perfectly. It was a year of teaching for many first-year players. Knowing that it would be a year of teaching, I had to find the right group of coaches to help groom these young men and ladies along the way.

My OC, George Stengel, is a great teacher and has a passion for the game that is infectious. This passion would feed the players. George had help with the offence, from other coaches with the same attitudes. Dylan Stengel helped with the QBs and RBs. Being a former Warrior player, Dylan brought out a lot of enthusiasm from our players. This was noticeable at the QB position, where he used to play. It was wonderful this year to have an experienced O-line coach. Mark Turner took our O-line and turned them into a fierce unit. The confidence our kids displayed was evident as soon as Mark joined our staff. His experience in the CFL and in the states speaks for itself. Thank you, Mark, for helping us this year. Our O-line became a top-notch unit because of your ability to teach the players how important their role was.

On the defensive side, Phil Lavigne was asked to be DC, sharing the same passion and values as the rest of our great staff. Phil turned this extremely young and inexperienced group of players into a very competitive defense. Confidence was very low after games 1 & 2, but I knew Coach Phil would do his best to help the players gain confidence with each passing week. He wasn't alone though. He had two other coaches who helped the kids gain confidence in themselves. Shayne Forsyth took on the challenge of coaching the DBs this year. Shayne, a former Warrior player himself, also played the position he was coaching. As a first year Coach, Shayne did a tremendous job communicating with the players. I also want to thank Scott Statham for taking on our D-line. Even though we had a smaller D-line than most years, the players grew as a unit, and were playing with more confidence than at the beginning of the year.

It wouldn't feel right if I didn't thank the other volunteers I had this year. Kelly Moniot and Jen Daniel did an amazing job this year, allowing the coaches to focus on coaching. I'd also like to thank our trainers, Andy Zeitz and Jeff Greenough, who split duties between practices and games. Thank you to my daughter, Seryna, for convening all of our games. She loves football so much, it was an easy decision for her to want to help. Thank you to all the volunteers this year. Special thanks to Troy Macleod who worked tirelessly with equipment amongst other things this year as well. We had a solid foundation.

Here's my message from the morning after our final game: I woke up this morning with the pain of defeat still strong in my heart. I'm sure you all feel the same way. The pain of losing will subside, but the memory of battling with your brothers and sisters will remain forever. Facing adversity is how we measure ourselves, and it makes us stronger. Last night I saw a team fall behind and battle all the way to take the lead. I couldn't be more proud of how you handled that kind of adversity in any game, let alone a championship game. Success isn't always measured in wins and losses. Ask yourself if you were a little better than the week before. If the answer is yes, then isn't that a success in itself? In life and in sports, there are winners and losers. Take what you learned this year and apply it to next year. Ask yourself what you can do to be battle ready right from day one. It came down to one hell of a catch near the end, to snatch victory from the jaws of defeat. I saw so much growth in the players this year. A few became real leaders, and that makes me feel even more proud. To see players step up on the sidelines and be another voice is really special. We are here to coach football, but we are also here to teach humility, respect, and to play fair but hard. We're also here to teach you how to act off the field as well. From the bottom of my heart, I thank you all for the season we had. **Remember ... it's not about the destination, but about the journey!**

Be Proud ... I know I am!

Sincerely,

Coach Geoff

Geoff Forsyth, Bell Warriors Pee Wee Head Coach

ABOUT THE BELL WARRIORS: The Bell Warriors Minor Football Club offers an amateur tackle football program for boys and girls between the ages of 7 and 23. The Club has been in existence since 1955, with a team in the Pee Wee division. As the league has expanded, so to have the Warriors, and now has close to 138 tackle football players competing annually at the Tyke, Mosquito, Pee Wee and Bantam levels. Our territory includes Bells Corners, Crystal Beach, Bayshore, Britannia, Stittsville, Richmond and Munster. Our organization stresses skills development, sportsmanship, and the value of teamwork. Over fifty volunteers help us to attain these goals through their efforts as club executives, coaches, conveners, event organizers and as bingo workers. Without their help, the Club would not be able to function.
