2021 Pee Wee Coach's Message

Football.... Friends.... Family.... Fun.... Failure.... Future.... F-Covid....*Man, I love this sport!!!*

This season was one of the biggest roller-coaster rides I have ever been a part of. Usually, we start off with winter workouts in March and April, then 3 months of training camp and practices before we play our first game. This year we had 3 weeks to register, gear up and practice before the season kicked off. All in all, I think we accomplished a great deal regardless of our final record.

As much as I love seeing the joy on our kids' faces when they win and I hate the look of sadness they have when they lose, coaching is not about the wins and losses for me. This sport helped make me into the man I am today; growing up without a father, the positive male role models that donated their time and energy to the sport had a major impact on how I decided to react to life's challenges. There were many times I could have folded and let them win but I chose to stand tall, battle it out and persevere. They taught me to be respectful, confident, hard-working, proud, humble, determined, disciplined, caring, loyal, trustworthy and the list goes on. I volunteer my time in hopes that I can have that same impact on kids that need it. Helping them gain the life skills necessary so they can make the right decisions and succeed is so much more important than the final score of any game.

We had 20 new families join our team this year. The players, parents and siblings came in and were accepted right away by our returning squad. It was great to see the comradery grow on and off the field, building that brotherhood on the field and building friendships on the sidelines. It is a great group of people we have welcomed into the Warrior family! I hope you all appreciate the culture and are now hooked like the rest of us... **Warriors 4 Life!** Thank you to all of the parents and family members who supported the team through the good times and the tough times; we could hear you loud and clear and they loved every minute of it!

Huge **THANK YOU** to the Coaches that stepped up to help make it happen. Joe, Fern, John, Steve, Bubba, Mark, Devonte, and Jeremy (who started the year as the trainer and one day said he would love to help coach also). I could not have done it without your support and patience as we progressed throughout the season. The job you did teaching the players the game while instilling lifelong values was spectacular.

Tracey Gervais... Manager, Fundraiser, Mom, Friend, Family... We cannot thank you enough for everything you have done and continue to do for the club. You take volunteering to a whole new level. Your emotion is infectious, and it has helped the Warriors continue to grow as an organization in so many ways. Thank you from the bottom of my heart for the support you have shown me over the last 2 seasons!

Lastly to the players, as a great coach one said, *"Success isn't always measured in wins and losses. Ask yourself if you were a little better than the week before"*. I know that the answer for every one of you is YES! I got to watch you grow as football players all season and more importantly, I got to watch you all grow as human beings and that to me is success that far outweighs anything you will ever achieve in football. Now the ball is in your court... take what you have learned all season and apply it to the rest of your life. You will see success in all aspects of your life as you continue to work and grow. I cannot wait to see how you all develop in the off season and I hope that I get to watch you all on the football field again next year.

I am proud of how you all came together as one and I thank everyone involved for their hard work and dedication. And I will say it once more... **Man, I LOVE this sport! Warriors4Life**

Sincerely,

Coach Keith

Keith Stuart, Bell Warriors Pee Wee Head Coach

ABOUT THE BELL WARRIORS: The Bell Warriors Minor Football Club offers an amateur tackle football program for boys and girls between the ages of 7 and 23. The Club has been in existence since 1955, with a team in the Pee Wee division. As the league has expanded, so to have the Warriors, and now has close to 138 tackle football players competing annually at the Tyke, Mosquito, Pee Wee and Bantam levels. Our territory includes Bells Corners, Crystal Beach, Bayshore, Britannia, Stittsville, Richmond and Munster. Our organization stresses skills development, sportsmanship, and the value of teamwork. Over fifty volunteers help us to attain these goals through their efforts as club executives, coaches, conveners, event organizers and as bingo workers. Without their help, the Club would not be able to function.
