2022 Bantam Coach's Message

In many ways, the bantam season seemed to fly by with numerous highs (OT win vs Gatineau to start our season, to name just one) & fewer lows than we might have expected. Coming off a 2-6 2021 season (as did our PW team), most people could have easily predicted another lackluster season. However, the season unfolded with the team finishing 6-2 in the regular season and earning the right to play in the 'A' cup semi-finals against an undefeated Cumberland juggernaut.

How does a team predicted to finish with a losing record prove the skeptics wrong? Well, there are several factors. Firstly, personal growth from some of the previous year's returnees. A back up QB/Rec, a fullback, a couple of lineman & a returning QB all went from being good players to being difference makers. Difference makers that were among the league's best...athletes that players & coaches from other teams were very respectful & fearful of.

Secondly, newbies that came out of the woodwork to make an immediate impact on both sides of the ball. These players came to us having never played tackle football before, yet you'd never know it by how they performed, improving with every passing practice & game.

Thirdly, the peewee player graduates that stepped in and filled roles. Roles that are most often filled by second year players that had a full year of bantam football under their belt. Yet these novice players made big play after big play in so many of our victories!

Fourthly, a level of trust that grew into believing in their teammate's abilities & coaches' structure & game planning were indeed going to offer the team a successful season. But what is a successful season, is it simply winning the A, B or C-Cup game? For some it might be, but as a coaching staff, it started with being in the A cup playoffs versus winning the B or C-Cups.

Lastly, the improvements seen at practice, yes even the parents who religiously watched every practice saw it, was the main reason for the team's success. The commitment to come to practice 3 nights a week by over 90% of the players was exemplary. The nightly pass skeleton battles became more competitive as the season progressed. The nightly 1-on-1 line battles also resulted in more parity. These examples all translated onto the game field when it mattered most. If I had told you that we would be within 8 points of Cumberland (their closest previous game was a 28 point margin of victory) with 5 minutes to go in the playoff game.....would you have believed me? That fact alone should sell you on how much we improved. Hey, with a few more calls going our way, maybe this message is reminiscing more about the A-Cup final game.

Sincerely,

Coach Paul

Paul Gowans, Bell Warriors Bantam Head Coach

ABOUT THE BELL WARRIORS: The Bell Warriors Minor Football Club offers an amateur tackle football program for boys and girls between the ages of 7 and 23. The Club has been in existence since 1955, with a team in the Pee Wee division. As the league has expanded, so to have the Warriors, and now has close to 138 tackle football players competing annually at the Tyke, Mosquito, Pee Wee and Bantam levels. Our territory includes Bells Corners, Crystal Beach, Bayshore, Britannia, Stittsville, Richmond and Munster. Our organization stresses skills development, sportsmanship, and the value of teamwork. Over fifty volunteers help us to attain these goals through their efforts as club executives, coaches, conveners, event organizers and as bingo workers. Without their help, the Club would not be able to function.
