# 2022 Pee Wee Coach's Message

After an exhaustive coaching search, some arm twisting and promises of gold and riches, I decided to accept the challenge even at my advanced age. I am happy and proud to say that I am glad that I did!

Enough about me. Football is all about the TEAM. The players, coaches and volunteers must all work together to make sure that the team is successful. The first task was to put together a coaching staff. It was easy to coerce my son, Jake, to join then we got Steve on board (good thing as we needed the police at South Ottawa). Corey came on as Defensive Coordinator and finally Tom joined us as DB's coach. The interesting thing is that Jake and Tom played together while I coached them, and Corey was one of my players at South Carleton back a few years ago. What a great thing to have these young men come and join me as coaches. I want to thank all of these men for working so hard every practice and game, to not only teach football, but to help players become better people on and off the field.

The next step was to find a manager, trainer and equipment manager. Thanks to Shavon, Tara and Chris for looking after our players and keeping everything running like a well-oiled machine.

To all the players, I have nothing but respect for all of you. From the first snap of the first practice to the last snap of the last game, you worked hard, made improvements, bonded as a team and learned resiliency and tough mindedness. My message was clear from the beginning: Success is not measured in wins. Success is improving every day both as a team and individuals. Success is becoming a better teammate. Success is becoming resilient and strong. We improved in every phase of the game. We threw and ran better each game and practice. We contained and tackled better each game and practice. The heart of all football teams is the Offensive Line and Defensive Line. Each of these players has my utmost respect. The work ethic and toughness shown by them is what makes our group go!

As we look forward to next season (I hope my contract is renewed), the message is easy. To those of you moving to Bantam, keep swinging, be a great teammate and listen to your coaches. To all of you returning, we can't wait to welcome new teammates as we take another step in our football journey.

Sincerely,

*Coach Rob*

Rob Hamm, Bell Warriors Pee Wee Head Coach

**ABOUT THE BELL WARRIORS:** The Bell Warriors Minor Football Club offers an amateur tackle football program for boys and girls between the ages of 7 and 23. The Club has been in existence since 1955, with a team in the Pee Wee division. As the league has expanded, so to have the Warriors, and now has close to 138 tackle football players competing annually at the Tyke, Mosquito, Pee Wee and Bantam levels. Our territory includes Bells Corners, Crystal Beach, Bayshore, Britannia, Stittsville, Richmond and Munster. Our organization stresses skills development, sportsmanship, and the value of teamwork. Over fifty volunteers help us to attain these goals through their efforts as club executives, coaches, conveners, event organizers and as bingo workers. Without their help, the Club would not be able to function.
