

1. Residence shall be established and supported by any of the documents listed below containing the full residence which includes parent(s) or guardian(s) name and street address including city and postal code. One approved document of residence is required.
2. Should the parents/legal guardians be living apart, the player's residence is the residence of the parent who has legal custody of the player. Should the parents have "joint" legal custody, the player's residence is the residence of the parent with whom the player usually resides. If the player lives equally with both parents, then residence will be determined by his initial registration with NCAFA. Two approved documents of residence are required.
3. Approved documents of residence: Residence shall be established and supported by any of the documents listed below containing the full residence which includes parent(s) or guardian(s) name and street address including city and postal code:
 - School Registration
 - Utility bill or cable/internet bill (cell phone bills are not accepted)
 - Parent or legal guardian's driver's license
 - Parent or legal guardian's vehicle insurance/registration

2.
