# 2023 Bantam Coach's Message

This season was a major character builder for our team. We started the season uniquely having 55 young athletes show interest in joining our roster; I cannot remember the last time we had 15 more players tryout than we were allowed to keep. We made it down to 40 players by the deadline then CCA folded and we had to turn away another 3 players including a long-time Warrior alumni who would have helped strengthen our offensive line a great deal.

We started the season with great expectations given the talent we had on both sides of the ball but unexpected situations arose that tested us all... players, coaches and parents. Nobody could have expected us to lose one of our top defensive linemen to injury for most of the season; or for our starting quarterback to leave the team mid-season resulting in one of our more dynamic receivers taking snaps for the rest of the year; or for one of our top defensive players to break his finger in pregame warmups against Cumberland when we were already down another linebacker; or the number of injuries we would face with our receivers and defensive backs... add in a multitude of mental and emotional circumstances and most teams would have folded up shop and called it a day.

Not this team... Our **Players** rallied together and supported each other; it wasn't always easy but they ultimately found a way to stand tall together cheering on their teammates right down to the final snap. Our **Coaches** brainstormed daily working on the next phase of our identity as a team and worked with the players to help prepare them for the new adventure weekly. Our **Parents** stuck by us throughout a season that provided them many opportunities to write us off; they ensured we had good attendance nightly as we progressed through the season and cheered us on from start to finish in every game regardless of the score. We **ALL** faced the adversity and fought right to the final play in the semifinal game where we came up 2 yards shy of going to overtime.

While it was not the end result we were hoping for, the rollercoaster of a season we experienced helped our players build character that will stick with them for the rest of their lives. They had to face multiple negative situations and attack them head on; some times coming out on top and sometimes experiencing less than preferred outcomes, but never backing down from the challenge. Life is a rollercoaster... sometimes "easy" and sometimes tough to the point where we think we will never make it through the storm; my hope for this team is that they build on the character they showed this season and continue to face life experiences head on while staying positive regardless of how hard things can seem.

Thank you to the parents for the support you showed us all season including volunteering your time during games and practices when needed. Thank you to the trainers for taking care of our players all year; they kept you busy but you were always up to the task. Thank you to Tracey for everything you do for the club and the support you have given me and the teams over the years. Thank you to the coaching staff for your efforts all year; you make my job so much easier while also calling me out when needed (unfortunately, I will continue to book my cottage in the middle of August annually...lol).

And, finally, thank you to our President, Paul Stewart, for giving me a chance a little over a decade ago and then having the confidence to allow me to be a head coach for this organization at the Mosquito, Peewee and Bantam levels; I hope I represented the club in the true Warrior way.

It has been a great ride and, even though I won't be a full-time coach in the organization next season, I will ALWAYS be a WARRIOR 4 LIFE!

Sincerely,

*Coach Keith*

Keith Stuart, Bell Warriors Bantam Head Coach

**ABOUT THE BELL WARRIORS:** The Bell Warriors Minor Football Club offers an amateur tackle football program for boys and girls between the ages of 7 and 23. The Club has been in existence since 1955, with a team in the Pee Wee division. As the league has expanded, so to have the Warriors, and now has close to 138 tackle football players competing annually at the Tyke, Mosquito, Pee Wee and Bantam levels. Our territory includes Bells Corners, Crystal Beach, Bayshore, Britannia, Stittsville, Richmond and Munster. Our organization stresses skills development, sportsmanship, and the value of teamwork. Over fifty volunteers help us to attain these goals through their efforts as club executives, coaches, conveners, event organizers and as bingo workers. Without their help, the Club would not be able to function.
